Room 13 by Mitchell Taylor Workshop tops the Cool Wall

2 March, 2007

Visitors to bdonline have this week voted Room 13 by Mitchell Taylor Workshop - the country's first purpose built primary art studio in Bristol - the coolest project on our Cool Wall.

Projects in the Cool Wall Gallery are ranked according to their inner cool, from ice-cold to naff. Vote on the placing of the different schemes to affect the order and for the chance to win a prize. [Click here to visit the Cool Wall](#). To submit your own project for consideration for the Cool Wall email bdonline@cmpi.biz
